2 KOMBINATIONEN • 2 COMBINATIONS

Die **QUADRO** Formel veranschaulicht Ihnen, wie einfach es ist, bestehende Modelle beliebig zu vergrößern und neue Spielelemente hinzuzufügen. Auf den folgenden Seiten erhalten Sie einige Kombinationsvorschläge.

Weitere Vorschläge finden Sie in unserer Modelldatenbank (Mdb) auf www.quadroworld.com/models.

Selbstverständlich können Sie auch selbst aktiv werden! Wir empfehlen die Modellentwicklung mit der ganzen Familie mit Hilfe des **QUADRO** Computer Programms.

The **QUADRO** Formula demonstrates how easy it is to enlarge existing models with new play elements for more fun. On the following pages we offer proposals for several combinations. **More combinations see on our Modeldatabase (Mdb) on www.quadroworld.com/models.**

Of course you can get creative yourself, too! Why not design something new with your family? For the creating of new models please use the **QUADRO** Computer Program.
